RRID:CVCL_8017

Cell Line Information

URL: https://web.expasy.org/cellosaurus/CVCL_8017

Proper Citation: RRID:CVCL_8017

Description: Cell line YCU-H891 is a Cancer cell line with a species of origin Homo sapiens (Human)

Sex: Female

Disease: Human papillomavirus-related endocervical adenocarcinoma

Defining Citation: [PMID:18097577](#), [PMID:21362583](#), [PMID:21631644](#), [PMID:26780976](#), [PMID:26781072](#)

Comments: Miscellaneous: HLA typing and STR profile from personal communication of Sano, Daisuke., Population: African American., Problematic cell line: Contaminated. Shown to be a HeLa derivative (PubMed=26780976; PubMed=26781072). Originally thought to originate from an hypopharyngeal squamous cell carcinoma..

Category: Cancer cell line

Organism: Homo sapiens (Human)

Name: YCU-H891

Synonyms: YCU H891

Cross References: Cosmic:1136975, Cosmic:1556186, Wikidata:Q54995348

ID: CVCL_8017

Hierarchy: cvcl_0030

Record Creation Time: 20220427T221738+0000

Ratings and Alerts

No rating or validation information has been found for YCU-H891.

Warning: Problematic cell line: Contaminated. Shown to be a HeLa derivative (PubMed=26780976; PubMed=26781072). Originally thought to originate from an hypopharyngeal squamous cell carcinoma.

Miscellaneous: HLA typing and STR profile from personal communication of Sano, Daisuke., Population: African American., Problematic cell line: Contaminated.
