B35

RRID:CVCL_1951

Type: Cell Line

Proper Citation

RRID:CVCL_1951

Cell Line Information

URL: https://web.expasy.org/cellosaurus/CVCL_1951

Proper Citation: RRID:CVCL_1951

Description: Cell line B35 is a Cancer cell line with a species of origin Rattus norvegicus (Rat)

Sex: Sex unspecified

Disease: Rat neuroblastoma

Defining Citation: [PMID:4151463](#), [PMID:12884695](#), [PMID:21541302](#)

Comments: Characteristics: Can be induced to differentiate reversibly, extending long neurites when grown in low serum or treated with dibutyryl cAMP (PubMed=12884695)., Characteristics: Useful in the molecular analysis of endocytosis and of signaling pathways, in particular those that guide axonal outgrowth and cell motility (PubMed=12884695).

Category: Cancer cell line

Organism: Rattus norvegicus (Rat)

Name: B35

Cross References: BTO:BTO_0002649, CLO:CLO_0001815, ATCC:CRL-2754, Lonza:1397, TOKU-E:596, Wikidata:Q54752661

ID: CVCL_1951

Record Creation Time: 20220427T215232+0000

Record Last Update: 20260816T001951+0000

Ratings and Alerts

No rating or validation information has been found for B35.

No alerts have been found for B35.
