TET2 antibody

RRID:AB_10724795

Type: Antibody

Proper Citation

GeneTex Cat# GTX88329, RRID:AB_10724795

Antibody Information

URL: http://antibodyregistry.org/AB_10724795

Proper Citation: GeneTex Cat# GTX88329, RRID:AB_10724795

Target Antigen: TET2 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 80kDa band in Human Brain (Amygdala and Hippocampus) lysates after 0.3 µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 130kDa according to NP_060098.3. The 80kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognize both reported isoforms (NP_001120680.1; NP_060098.3). ELISA.

Antibody Name: TET2 antibody

Description: This polyclonal targets TET2 antibody

Target Organism: canine, mouse, dog, human

Antibody ID: AB_10724795

Vendor: GeneTex

Catalog Number: GTX88329

Record Creation Time: 20250819T233735+0000

Record Last Update: 20250820T055458+0000

Ratings and Alerts

No rating or validation information has been found for TET2 antibody.

Warning: Discontinued at GeneTex
