Opioid Receptor-Mu (MOR) Antibody

RRID:AB_572251

Type: Antibody

Proper Citation

ImmunoStar Cat# 24216, RRID:AB_572251

Antibody Information

URL: http://antibodyregistry.org/AB_572251

Proper Citation: ImmunoStar Cat# 24216, RRID:AB_572251

Target Antigen: Synthetic rat MOR1 (384-398)

Host Organism: rabbit

Clonality: polyclonal

Comments: Manufacturer Applications: Immunohistochemistry, Immunocytochemistry, Immunofluorescence, Western Blot; Note, The Mu Opioid Receptor antiserum was quality control tested using standard immunohistochemical methods. The antiserum demonstrates strongly positive labeling of rat caudate putamen and spinal cord (dorsal horn) using indirect immunofluorescent and biotin/avidin-HRP techniques. Recommended primary dilutions are 1/500 - 1/1000 in PBS/0.3% Triton X-100 - Cy3 Technique and 1/6000 - 1/10000 in PBS/0.3% Triton X-100 - Biotin/avidin-HRP Technique. Preadsorption with MOR peptide (384-398) at 10 µg/ml completely eliminates labeling. The specificity of the antiserum was determined by immunolabeling of transfected cells, Western Blot analysis and immunoisolation studies.; Gene Symbol:

Antibody Name: Opioid Receptor-Mu (MOR) Antibody

Description: This polyclonal targets Synthetic rat MOR1 (384-398)

Target Organism: tadpole, chicken, monkey, rat, mouse, starling, frog, cat, human

Defining Citation: [PMID:10218804](#), [PMID:9175900](#), [PMID:25807259](#), [PMID:9593869](#), [PMID:9169542](#), [PMID:9622672](#), [PMID:10439458](#), [PMID:10366629](#), [PMID:26098212](#), [PMID:9804311](#)

Antibody ID: AB_572251

Vendor: ImmunoStar

Catalog Number: 24216

Record Creation Time: 20250819T215322+0000

Record Last Update: 20250820T002526+0000

Ratings and Alerts

- Human colon Whole Mount technique staining in Submucosal plexus in Soma shows moderate immunostaining. Human colon Whole Mount technique staining in Submucosal plexus in Fibers was negative for immunostaining. Data provided by Sternini lab. - Brookes et al. (2022) via SPARC
