Akt2 (L79B2) Mouse mAb

RRID:AB_10544406

Type: Antibody

Proper Citation

Cell Signaling Technology Cat# 5239, RRID:AB_10544406

Antibody Information

URL: http://antibodyregistry.org/AB_10544406

Proper Citation: Cell Signaling Technology Cat# 5239, RRID:AB_10544406

Target Antigen: Akt2 (L79B2) Mouse mAb

Host Organism: mouse

Clonality: monoclonal

Comments: Applications: W, IP

Antibody Name: Akt2 (L79B2) Mouse mAb

Description: This monoclonal targets Akt2 (L79B2) Mouse mAb

Target Organism: rat, h, m, mouse, r, human, mk

Antibody ID: AB_10544406

Vendor: Cell Signaling Technology

Catalog Number: 5239

Record Creation Time: 20231110T072031+0000

Record Last Update: 20260829T092949+0000

Ratings and Alerts

No rating or validation information has been found for Akt2 (L79B2) Mouse mAb.

Warning: *Extracted Antibody Information:* "Anti-Akt2 for western blot was purchased from Cell Signaling Technologies, Beverly, MA (mouse; monoclonal; L79B2; 1:1000; a

synthetic peptide surrounding Leu110 of human Akt2; RRID:**AB_10544406**).

Extracted Specificity Statement: "Recently, Akt substrate 160 (AS160) was identified as an Akt interaction partner using a protein AGC phosphomotif (RXRXXpS/T) antibody and was subsequently characterized by mass spectrometry [23]. Akt (non-isoform **specific** Akt or pan-Akt) is known to interact with several kinases (e.g., protein kinase C) and phosphatases (e.g., PP2A) [24, 25], many of which play a role in mitogenesis, cell survival, growth, cell differentiation, and glucose uptake [7]."

Data was mined by Antibody Watch (<https://arxiv.org/pdf/2008.01937.pdf>), from

PMID:26465754

Applications: W, IP
