DTX2 / Deltext-2 antibody

RRID:AB_10719549

Type: Antibody

Proper Citation

GeneTex Cat# GTX88299, RRID:AB_10719549

Antibody Information

URL: http://antibodyregistry.org/AB_10719549

Proper Citation: GeneTex Cat# GTX88299, RRID:AB_10719549

Target Antigen: DTX2 / Deltext-2 antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 85kDa band in lysates of cell lines A549, HepG2 and NIH3T3 after 0.3µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 67.2kDa according to NP_065943.2. The 85kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? This antibody is expected to recognize both reported isoforms (NP_065943.2; NP_001096066.1). Reported variants NP_001096065.1, NP_065943.2, NP_001096064.1 represent identical protein. ELISA.

Antibody Name: DTX2 / Deltext-2 antibody

Description: This polyclonal targets DTX2 / Deltext-2 antibody

Target Organism: rat, cow, bovine, human

Antibody ID: AB_10719549

Vendor: GeneTex

Catalog Number: GTX88299

Record Creation Time: 20231110T065911+0000

Ratings and Alerts

No rating or validation information has been found for DTX2 / Deltex-2 antibody.

Warning: Discontinued at GeneTex
