DLC1 (Isoforms 1 and 3) antibody

RRID:AB_10725719

Type: Antibody

Proper Citation

GeneTex Cat# GTX89689, RRID:AB_10725719

Antibody Information

URL: http://antibodyregistry.org/AB_10725719

Proper Citation: GeneTex Cat# GTX89689, RRID:AB_10725719

Target Antigen: DLC1 (Isoforms 1 and 3) antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: Immunohistochemistry; ELISA; Preliminary experiments gave an approx 28kDa band in Human Liver and Lung lysates as well as in different epithelial lung cell lines after 0.3 µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 171 kDa according to NP_872584.1 and 54.6kDa according to NP_079043.2 (isotope 3). The 28kDa band was successfully blocked by incubation with the immunizing peptide. We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? Have any further splice variants/modified forms been reported? In paraffin embedded Human Adrenal Gland (Medulla) shows strong reticulate staining in the cytoplasm of medular cell

Antibody Name: DLC1 (Isoforms 1 and 3) antibody

Description: This polyclonal targets DLC1 (Isoforms 1 and 3) antibody

Target Organism: porcine, pig, mouse, human

Antibody ID: AB_10725719

Vendor: GeneTex

Catalog Number: GTX89689

Record Creation Time: 20250819T230437+0000

Ratings and Alerts

No rating or validation information has been found for DLC1 (Isoforms 1 and 3) antibody.

Warning: Discontinued at GeneTex
