BOULE / BOLL antibody

RRID:AB_10733167

Type: Antibody

Proper Citation

GeneTex Cat# GTX89597, RRID:AB_10733167

Antibody Information

URL: http://antibodyregistry.org/AB_10733167

Proper Citation: GeneTex Cat# GTX89597, RRID:AB_10733167

Target Antigen: BOULE / BOLL antibody

Host Organism: goat

Clonality: polyclonal

Comments: Discontinued; manufacturer recommendations: ELISA; Preliminary experiments gave an approx 22kDa band in Human Testis lysates after 1.5 µg/ml antibody staining. Please note that currently we cannot find an explanation in the literature for the band we observe given the calculated size of 32.6kDa according to NP_932074.1 and 31.3kDa according to NP_149019.1. The 22kDa band was successfully blocked by incubation with the immunizing peptide. However, literature reports a 36kDa band in Human and Mouse Testes (PMID: 11390979). Have any further splice variants/modified forms been reported? This antibody is expected to recognize both reported isoforms (NP_932074.1; NP_149019.1). ELISA.

Antibody Name: BOULE / BOLL antibody

Description: This polyclonal targets BOULE / BOLL antibody

Target Organism: canine, cow, bovine, dog, human

Antibody ID: AB_10733167

Vendor: GeneTex

Catalog Number: GTX89597

Record Creation Time: 20231110T065730+0000

Record Last Update: 20260829T094206+0000

Ratings and Alerts

No rating or validation information has been found for BOULE / BOLL antibody.

Warning: Discontinued at GeneTex
