IL1 alpha [364-3B3-14] antibody

RRID:AB_424527

Type: Antibody

Proper Citation

GeneTex Cat# GTX41494, RRID:AB_424527

Antibody Information

URL: http://antibodyregistry.org/AB_424527

Proper Citation: GeneTex Cat# GTX41494, RRID:AB_424527

Target Antigen: IL1 alpha [364-3B3-14] antibody

Host Organism: mouse

Clonality: monoclonal

Comments: Discontinued; manufacturer recommendations: ELISA: Use at a concentration of 2 - 6 µg/ml. To obtain a linear standard curve, serial dilutions of IL-1 alpha recombinant protein ranging from 500 to 4 pg/ml are recommended for each ELISA plate. ELISPOT: Use at an assay dependent dilution. FACS: Use at an assay dependent dilution. This antibody is intracellular immunofluorescent staining and flow cytometric analysis to identify IL-1 alpha -producing cells within mixed cell populations. Not tested in other applications. Optimal dilutions/concentrations should be determined by the end user., The usefulness of this product in other applications has not been determined.; ELISA; Immunofluorescence; ELISPOT; Flow Cytometry

Antibody Name: IL1 alpha [364-3B3-14] antibody

Description: This monoclonal targets IL1 alpha [364-3B3-14] antibody

Target Organism: human

Antibody ID: AB_424527

Vendor: GeneTex

Catalog Number: GTX41494

Record Creation Time: 20250820T033047+0000

Record Last Update: 20250820T162649+0000

Ratings and Alerts

No rating or validation information has been found for IL1 alpha [364-3B3-14] antibody.

Warning: Discontinued at GeneTex
