pLHCX-XBP1 mNeonGreen NLS

RRID:Addgene_115971

Type: Plasmid

Proper Citation

RRID:Addgene_115971

Plasmid Information

URL: <http://www.addgene.org/115971>

Proper Citation: RRID:Addgene_115971

Insert Name: X-box binding protein 1

Organism: Homo sapiens

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:30088945](#)

Vector Backbone Description: Backbone Marker:Clontech; Backbone Size:6813; Vector Backbone:pLHCX; Vector Types:Mammalian Expression, Retroviral; Bacterial Resistance:Ampicillin

Comments: This sensor leads to the expression of a mNeonGreen fusion protein in the nucleus upon induction of ER-stress. ER-stress kinetic through the IRE1/XBP1 pathway can thus be monitored by recording the green fluorescent signal arising in the nucleus. Designed by Adrien Nougarede.

Plasmid Name: pLHCX-XBP1 mNeonGreen NLS

Record Creation Time: 20220422T221607+0000

Record Last Update: 20260905T074507+0000

Ratings and Alerts

No rating or validation information has been found for pLHCX-XBP1 mNeonGreen NLS.

No alerts have been found for pLHCX-XBP1 mNeonGreen NLS.

Data and Source Information
