pLIA mNIC myc (CC#341)

RRID:Addgene_15131

Type: Plasmid

Proper Citation

RRID:Addgene_15131

Plasmid Information

URL: <http://www.addgene.org/15131>

Proper Citation: RRID:Addgene_15131

Insert Name: Notch1 (C-term)

Organism: Mus musculus

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:9006984](#)

Vector Backbone Description: Backbone Marker:Cepko Lab; Backbone Size:0; Vector Backbone:pLIA; Vector Types:Mammalian Expression, Retroviral; Bacterial Resistance:Ampicillin

Comments: mNIC encodes the cytoplasmic domain of mouse Notch 1 with a myc tag at the N terminus.

Plasmid Name: pLIA mNIC myc (CC#341)

Relevant Mutation: Cytoplasmic domain initiating at amino acid 1753. See author's map and article for more information.

Record Creation Time: 20220422T221831+0000

Record Last Update: 20260905T074932+0000

Ratings and Alerts

No rating or validation information has been found for pLIA mNIC myc (CC#341).

No alerts have been found for pLIA mNIC myc (CC#341).
