slpr genomic fragment

RRID:Addgene_42074

Type: Plasmid

Proper Citation

RRID:Addgene_42074

Plasmid Information

URL: <http://www.addgene.org/42074>

Proper Citation: RRID:Addgene_42074

Insert Name: slpr genomic fragment

Organism: Drosophila melanogaster

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:11825878](#)

Vector Backbone Description: Backbone Size:7862; Vector Backbone:pCaSpeR4; Vector Types:Insect Expression; Bacterial Resistance:Ampicillin

Comments: The slpr genomic rescue construct was generated by isolating a HindIII fragment of ?14 kb from the P1 clone DS08402, including the MLK gene, and a neighboring annotated geneCG15339. This fragment was cloned transiently into pBluescript (Stratagene) and then moved into pCaSpeR4 vector for subsequent purification and germ-line transformation.

Plasmid Name: slpr genomic fragment

Record Creation Time: 20220422T222217+0000

Record Last Update: 20260815T081450+0000

Ratings and Alerts

No rating or validation information has been found for slpr genomic fragment.

No alerts have been found for slpr genomic fragment.
