pCS2-nCas9n

RRID:Addgene_47929

Type: Plasmid

Proper Citation

RRID:Addgene_47929

Plasmid Information

URL: <http://www.addgene.org/47929>

Proper Citation: RRID:Addgene_47929

Insert Name: nls-zcas9-nls

Organism: Synthetic

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:23918387](#)

Vector Backbone Description: Backbone Size:4100; Vector Backbone:pCS2+; Vector Types:Mammalian Expression, CRISPR; Bacterial Resistance:Ampicillin

Comments: Note from depositor: Although this plasmid produces smaller transcripts in addition to the expected one, the product mixture displays activity comparable to that from pT3TS-nCas9n. For more information on Chen and Wentz Lab CRISPR Plasmids please refer to: <http://www.addgene.org/crispr/Chen/>

Plasmid Name: pCS2-nCas9n

Record Creation Time: 20220422T222246+0000

Record Last Update: 20260815T081545+0000

Ratings and Alerts

No rating or validation information has been found for pCS2-nCas9n.

No alerts have been found for pCS2-nCas9n.

Data and Source Information

Usage and Citation Metrics

We found 103 mentions in open access literature.

Listed below are recent publications. The full list is available at [dkNET](#) .
