pLKO.1 puro

RRID:Addgene_8453

Type: Plasmid

Proper Citation

RRID:Addgene_8453

Plasmid Information

URL: <http://www.addgene.org/8453>

Proper Citation: RRID:Addgene_8453

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:12649500](#)

Vector Backbone Description: Backbone Size:7032; Vector Backbone:pLKO.1; Vector Types:Mammalian Expression, Lentiviral, RNAi; Bacterial Resistance:Ampicillin

Comments: Empty lentiviral vector for siRNA expression; replaces Lentihair; see author's map. The 293T cell line can be obtained from the Weinberg lab or GenHunter <http://genhunter.com/products/aptag-3/index.html> Note that Addgene's quality control sequence shows that there are about 25 nucleotides between the AgeI and EcoRI sites (the depositor sequences is not as accurate in this region). For packaging, please use pCMV-dR8.2 dvpr (Addgene plasmid #8455) and pCMV-VSVG (Addgene plasmid #8454). For the official vector of The RNAi Consortium and a plasmid map, please see plasmid #10878.

Plasmid Name: pLKO.1 puro

Record Creation Time: 20220422T222545+0000

Record Last Update: 20260912T093309+0000

Ratings and Alerts

No rating or validation information has been found for pLKO.1 puro.

No alerts have been found for pLKO.1 puro.

Data and Source Information

Usage and Citation Metrics

We found 744 mentions in open access literature.

Listed below are recent publications. The full list is available at [dkNET](#) .
