V249 pCEP-4HA B56delta

RRID:Addgene_14536

Type: Plasmid

Proper Citation

RRID:Addgene_14536

Plasmid Information

URL: <http://www.addgene.org/14536>

Proper Citation: RRID:Addgene_14536

Insert Name: PPP2R5D B56 delta regulatory subunit of PP2A

Organism: Homo sapiens

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:10092233](#)

Vector Backbone Description: Backbone Marker:Invitrogen; Backbone Size:10186; Vector Backbone:pCEP4 (modified); Vector Types:Mammalian Expression; Bacterial Resistance:Ampicillin

Comments: 4 HA tag cloned into Not1 site as Not1 cassette so two Not1 sites at 5' end of gene. Please note that the Addgene verified sequence finds an R210H mutation in PPP2R5D. Other differences compared to the depositor sequence do not affect plasmid function.

Plasmid Name: V249 pCEP-4HA B56delta

Relevant Mutation: R210H

Record Creation Time: 20220422T221819+0000

Record Last Update: 20260912T092002+0000

Ratings and Alerts

No rating or validation information has been found for V249 pCEP-4HA B56delta.

No alerts have been found for V249 pCEP-4HA B56delta.

Data and Source Information
