pAAV-Syn-CoChR-GFP

RRID:Addgene_59070

Type: Plasmid

Proper Citation

RRID:Addgene_59070

Plasmid Information

URL: <http://www.addgene.org/59070>

Proper Citation: RRID:Addgene_59070

Insert Name: CoChR-GFP

Organism: Chloromonas oogama

Bacterial Resistance: Ampicillin

Defining Citation: [PMID:24509633](#)

Vector Backbone Description: Backbone Size:4368; Vector Backbone:AAV; Vector Types:Mammalian Expression, AAV; Bacterial Resistance:Ampicillin

Comments: Plasmid is completely sequenced by the depositing lab except for part of the 3' ITR. Addgene QC NGS analysis identifies ambiguous bases following the 3' ITR. It is unknown what, if any, impact this may have on plasmid function.

Plasmid Name: pAAV-Syn-CoChR-GFP

Record Creation Time: 20220422T222341+0000

Record Last Update: 20260815T081720+0000

Ratings and Alerts

No rating or validation information has been found for pAAV-Syn-CoChR-GFP.

No alerts have been found for pAAV-Syn-CoChR-GFP.

Data and Source Information

Usage and Citation Metrics

We found 11 mentions in open access literature.

Listed below are recent publications. The full list is available at [dkNET](#) .
