Orphelia

RRID:SCR_000119

Type: Tool

Proper Citation

Orphelia (RRID:SCR_000119)

Resource Information

URL: http://orphelia.gobics.de/

Proper Citation: Orphelia (RRID:SCR_000119)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on August 23,2022. A metagenomic open reading frame (ORF) finding tool for the prediction of protein coding genes in short, environmental DNA sequences with unknown phylogenetic origin. The resource is based on a two-stage machine learning approach that uses linear discriminants to extract features from the ORFs. An artificial neural network then combines the features and computes a gene probability for each ORF fragment.

Resource Type: simulation software, software resource, software application

Defining Citation: PMID:19429689

Keywords: metagenomic open reading frame, tool, resource, protein, genes, DNA, phyologenetic origin, machine learning, linear discriminates, artificial neural network, computation, scientific computing, fragment

Funding:

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Orphelia

Resource ID: SCR_000119

Alternate IDs: OMICS_01492

Record Creation Time: 20220129T080159+0000

Record Last Update: 20250429T054548+0000

Ratings and Alerts

No rating or validation information has been found for Orphelia.

No alerts have been found for Orphelia.
