Proper Citation

Context Likelihood of Relatedness (RRID:SCR_000216)

Resource Information

URL: https://omictools.com/context-likelihood-of-relatedness-tool

Proper Citation: Context Likelihood of Relatedness (RRID:SCR_000216)

Description: A software that infers regulatory interactions between transcription factors and their targets using a compendium of gene expression profiles.

Abbreviations: CLR

Resource Type: software resource

Defining Citation: PMID:17214507

Keywords: transcription factors, gene expression profile, regulatory interactions, likelihood, relatedness

Funding:

Availability: Free to academic users

Resource Name: Context Likelihood of Relatedness

Resource ID: SCR_000216

Alternate IDs: OMICS_01682

Old URLs: http://gardnerlab.bu.edu/software&tools.html,

Record Creation Time: 20220129T080200+0000

Record Last Update: 20250420T013934+0000

Ratings and Alerts

No rating or validation information has been found for Context Likelihood of Relatedness.

No alerts have been found for Context Likelihood of Relatedness.

Data and Source Information
