Reliable detection of directional couplings using rank statistics

RRID:SCR_001662

Type: Tool

Proper Citation

Reliable detection of directional couplings using rank statistics (RRID:SCR_001662)

Resource Information

URL: <https://journals.aps.org/pre/abstract/10.1103/PhysRevE.80.026217>

Proper Citation: Reliable detection of directional couplings using rank statistics (RRID:SCR_001662)

Description: Source code that allows you to calculate the different measures used in Chicharro D, Andrzejak RG (2009): Reliable detection of directional couplings using rank statistics. Physical Review E, 80, 026217.

Abbreviations: Reliable detection of directional couplings using rank statistics

Resource Type: software resource, source code

Defining Citation: [PMID:19792241](#)

Keywords: directional coupling, time series, rank statistics, normalization, experimental signal

Availability: Free, Freely Available

Resource Name: Reliable detection of directional couplings using rank statistics

Resource ID: SCR_001662

Alternate IDs: nlx_153987

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260804T043130+0000

Ratings and Alerts

No rating or validation information has been found for Reliable detection of directional couplings using rank statistics.

No alerts have been found for Reliable detection of directional couplings using rank statistics.

Data and Source Information
