CHEBI

RRID:SCR_002088

Type: Tool

Proper Citation

CHEBI (RRID:SCR_002088)

Resource Information

URL: <https://www.ebi.ac.uk/chebi/beta/>

Proper Citation: CHEBI (RRID:SCR_002088)

Description: Collection of chemical compounds and other small molecular entities that incorporates an ontological classification of chemical compounds of biological relevance, whereby the relationships between molecular entities or classes of entities and their parents and/or children are specified. The molecular entities in question are either products of nature or synthetic products used to intervene in the processes of living organisms.

Abbreviations: ChEBI

Synonyms: CHEBI, Chemical Entities of Biological Interest

Resource Type: database, data or information resource

Defining Citation: [PMID:19854951](#), [PMID:19496059](#), [PMID:17932057](#)

Keywords: complex, conformer, ion, ion pair, isotope, molecular entity, molecule, radical, radical ion, small molecule, obo, gold standard, biochemistry, metabolomics, bio.tools

Funding: BBSRC BB/G022747/1

Availability: Freely available

Resource Name: CHEBI

Resource ID: SCR_002088

Alternate IDs: nif-0000-02655, biotools:chebi, r3d100012626

Alternate URLs: <http://bioportal.bioontology.org/ontologies/1007>,
