Glomerular Activity Response Archive

RRID:SCR_002089

Type: Tool

Proper Citation

Glomerular Activity Response Archive (RRID:SCR_002089)

Resource Information

URL: <http://gara.bio.uci.edu>

Proper Citation: Glomerular Activity Response Archive (RRID:SCR_002089)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented on April 24, 2017. Database of images depicting the spatial distribution of 2-deoxyglucose uptake evoked in the glomerular layer of the rat olfactory bulb in response to a wide range of defined odorant stimuli. A number of different display and comparison tools are provided allowing patterns to be viewed from different perspectives, and descriptions of the methods and interpretations of these data are provided. Some of the more advanced tools require you to download software.

Abbreviations: GARA

Synonyms: Glomerular Response Archive

Resource Type: production service resource, data analysis service, service resource, image collection, analysis service resource, database, data or information resource

Keywords: rat, olfactory bulb, odorant stimuli, odorant, odor, glomerular

Funding: Human Brain Project ;
NIMH ;
NIDCD

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Glomerular Activity Response Archive

Resource ID: SCR_002089

Alternate IDs: nif-0000-00339

Record Creation Time: 20220129T080211+0000

Record Last Update: 20250428T052921+0000

Ratings and Alerts

No rating or validation information has been found for Glomerular Activity Response Archive.

No alerts have been found for Glomerular Activity Response Archive.
