GlimmerHMM

RRID:SCR_002654

Type: Tool

Proper Citation

GlimmerHMM (RRID:SCR_002654)

Resource Information

URL: <http://ccb.jhu.edu/software/glimmerhmm/>

Proper Citation: GlimmerHMM (RRID:SCR_002654)

Description: A gene finder based on a Generalized Hidden Markov Model (GHMM). Although the gene finder conforms to the overall mathematical framework of a GHMM, additionally it incorporates splice site models adapted from the GeneSplicer program and a decision tree adapted from GlimmerM. It also utilizes Interpolated Markov Models for the coding and noncoding models. Currently, GlimmerHMM's GHMM structure includes introns of each phase, intergenic regions, and four types of exons (initial, internal, final, and single).

Abbreviations: GlimmerHMM

Synonyms: GlimmerHMM - Eukaryotic Gene-Finding System

Resource Type: software resource, source code

Defining Citation: [PMID:15145805](#)

Keywords: gene, hidden markov model

Funding: NIH ;
NLM R01-LM06845;
NLM R01-LM007938

Availability: Open unspecified license, OSI certified

Resource Name: GlimmerHMM

Resource ID: SCR_002654

Alternate IDs: nlx_156092

Record Creation Time: 20220129T080214+0000

Record Last Update: 20250519T205050+0000

Ratings and Alerts

No rating or validation information has been found for GlimmerHMM.

No alerts have been found for GlimmerHMM.
