Type: Tool

Proper Citation

HSPH Trace Metals Laboratory (RRID:SCR_002819)

Resource Information

URL: http://harvard.eagle-i.net/i/0000012e-3517-ac53-550e-f59280000000

Proper Citation: HSPH Trace Metals Laboratory (RRID:SCR_002819)

Description: Core facility that provides metals analytical capabilities to biomedical and non-biomedical researchers and serves as a source for study design consultation and sample QA/QC requirements. The transport, fate, exposure, and toxic effects of heavy metals is a primary focus of research at the Center. It operates as a modified fee-for-service laboratory. Researchers have the option of having the samples run by the Service staff, or of receiving instruction (for themselves or a doctoral or post doctoral trainee) on how to operate the analytical equipment and analyze their own samples. Both options have associated fees and, as with other services, facility access funds can be requested internal or external services when individual grant support is not yet available.

Abbreviations: HSPS Trace Metals Laboratory

Synonyms: Harvard NIEHS Center for Environmental Health Trace Metals Lab, Trace Metals Laboratory (HSPH)

Resource Type: core facility, service resource, access service resource

Keywords: transport, fate, exposure, toxicity, heavy metal

Funding:

Availability: Fee-for-service

Resource Name: HSPH Trace Metals Laboratory

Resource ID: SCR_002819

Alternate IDs: nlx_156296

Alternate URLs: http://www.hsph.harvard.edu/niehs/member-resources-2/ihfsc/metals-service/, http://search.sph.harvard.edu/research/niehs/facility-cores/trace-metals-lab/

Old URLs: https://apps.sph.harvard.edu/publisher/upload/research/niehs/facility-cores/trace-metals-lab/

Record Creation Time: 20220129T080215+0000

Record Last Update: 20250517T055552+0000

Ratings and Alerts

No rating or validation information has been found for HSPH Trace Metals Laboratory.

No alerts have been found for HSPH Trace Metals Laboratory.
