SEER Datasets and Software

RRID:SCR_003293

Type: Tool

Proper Citation

SEER Datasets and Software (RRID:SCR_003293)

Resource Information

URL: <http://seer.cancer.gov/resources/>

Proper Citation: SEER Datasets and Software (RRID:SCR_003293)

Description: Portal provides SEER research data and software SEER*Stat and SEER*Prep. SEER incidence and population data associated by age, sex, race, year of diagnosis, and geographic areas can be used to examine stage at diagnosis by race/ethnicity, calculate survival by stage at diagnosis, age at diagnosis, and tumor grade or size, determine trends and incidence rates for various cancer sites over time. SEER releases new research data every Spring based on the previous November's submission of data.

Synonyms: The Surveillance Epidemiology and End Results (SEER) Program, SEER Datasets Software, SEER Datasets & Software, The Surveillance Epidemiology and End Results (SEER) Program of the National Cancer Institute

Resource Type: data or information resource, disease-related portal, portal, software resource, topical portal

Keywords: NCI, cancer, statistics, epidemiology, analysis

Related Condition: cancer

Funding: NCI

Availability: Free, Freely available

Resource Name: SEER Datasets and Software

Resource ID: SCR_003293

Alternate IDs: nif-0000-31490

Record Creation Time: 20220129T080218+0000

Ratings and Alerts

No rating or validation information has been found for SEER Datasets and Software.

No alerts have been found for SEER Datasets and Software.

Data and Source Information
