PicTar

RRID:SCR_003343

Type: Tool

Proper Citation

PicTar (RRID:SCR_003343)

Resource Information

URL: <http://www.pictar.org>

Proper Citation: PicTar (RRID:SCR_003343)

Description: An algorithm for the identification of microRNA targets. Details are provided (3' UTR alignments with predicted sites, links to various public databases etc) regarding: # microRNA target predictions in vertebrates (Krek et al, Nature Genetics 37:495-500 (2005)) # microRNA target predictions in seven Drosophila species (Grn et al, PLoS Comp. Biol. 1:e13 (2005)) # microRNA targets in three nematode species (Lall et al, Current Biology 16, 1-12 (2006)) # human microRNA targets that are not conserved but co-expressed (i.e. the microRNA and mRNA are expressed in the same tissue) (Chen and Rajewsky, Nat Genet 38, 1452-1456 (2006)) co-expressed targets

Abbreviations: PicTar

Resource Type: software resource

Defining Citation: [PMID:15806104](#)

Keywords: microrna target, microrna, bio.tools, FASEB list

Availability: Free, Available for download, Freely available

Resource Name: PicTar

Resource ID: SCR_003343

Alternate IDs: OMICS_00411, biotools:pictar, nif-0000-31983

Alternate URLs: <http://pictar.mdc-berlin.de/>, <https://bio.tools/pictar>

Record Creation Time: 20220129T080218+0000

Record Last Update: 20260919T195017+0000

Ratings and Alerts

No rating or validation information has been found for PicTar.

No alerts have been found for PicTar.
