Ontology of Adverse Events

RRID:SCR_003428

Type: Tool

Proper Citation

Ontology of Adverse Events (RRID:SCR_003428)

Resource Information

URL: http://www.oae-ontology.org

Proper Citation: Ontology of Adverse Events (RRID:SCR_003428)

Description: A biomedical ontology in the domain of adverse events that aims to standardize adverse event annotation, integrate various adverse event data, and support computer-assisted reasoning. AEO is a community-based ontology. Its development follows the OBO Foundry principles.

Abbreviations: OAE

Resource Type: data or information resource, controlled vocabulary, ontology

Defining Citation: PMID:25093068

Keywords: adverse event, health, pathological, molecular, cellular, organismal, multi-

organismal

Funding:

Availability: Acknowledgement requested

Resource Name: Ontology of Adverse Events

Resource ID: SCR_003428

Alternate IDs: nlx 157522

Alternate URLs: http://purl.bioontology.org/ontology/OAE, http://svn.code.sf.net/p/oae/code/trunk/src/ontology/oae.owl

Record Creation Time: 20220129T080218+0000

Record Last Update: 20250506T060410+0000

Ratings and Alerts

No rating or validation information has been found for Ontology of Adverse Events.

No alerts have been found for Ontology of Adverse Events.
