Cancer Research UK

RRID:SCR_004041

Type: Tool

Proper Citation

Cancer Research UK (RRID:SCR_004041)

Resource Information

URL: <http://www.cancerresearchuk.org/>

Proper Citation: Cancer Research UK (RRID:SCR_004041)

Description: Cancer Research UK is UK's largest charity funding cancer research. Cancer Research UK is a registered charity in England and Wales (1089464) and in Scotland (SC041666). Registered as a company limited by guarantee in England & Wales No. 4325234.

Abbreviations: CRUK

Resource Type: institution

Resource Name: Cancer Research UK

Resource ID: SCR_004041

Alternate IDs: Wikidata: Q326079, Crossref funder ID: 501100000289, nlx_143542, grid.11485.39, ISNI: 0000 0004 0422 0975

Alternate URLs: <https://ror.org/054225q67>

Record Creation Time: 20220129T080222+0000

Record Last Update: 20260912T195607+0000

Ratings and Alerts

No rating or validation information has been found for Cancer Research UK.

No alerts have been found for Cancer Research UK.

Data and Source Information

Usage and Citation Metrics

We found 406 mentions in open access literature.

Listed below are recent publications. The full list is available at [dkNET](#) .

Farahmand P, et al. (2026) Phosphorylations of serines 21/9 in glycogen synthase kinase 3 β are dispensable for V600EBRAF-driven premalignant tumour development in the mouse intestine. PLoS one, 21(3), e0337259.

Lin X, et al. (2026) Age-Adjusted Charlson Comorbidity Index Guides Risk Stratification for Hepatocellular Carcinoma Patients Treated with TACE Combined with Immune Checkpoint Inhibitors and Targeted Therapy: A Multicenter Retrospective Cohort Study. Liver cancer.

Chatrin C, et al. (2026) Specificity and recognition of the ADP-ribosyl-ubiquitin modification in the DNA damage response. PLoS biology, 24(4), e3003747.

Yang X, et al. (2026) Contribution of Risk Factors, Including Polygenic Score, to the Multifactorial Risk Assessment for the Implementation of Personalized Breast Cancer Screening: Insights from the PERSPECTIVE: Integration and Implementation Project. Cancers, 18(9).

Druker J, et al. (2026) PHD1-dependent hydroxylation of RepoMan (CDCA2) on P604 modulates the control of mitotic progression. eLife, 14.

Whittle J, et al. (2026) Single-cell atlas of AML reveals age-related gene regulatory networks in t(8;21) AML. eLife, 14.

Spokaite S, et al. (2026) A novel RAB5 binding site in human VPS34-CII that is likely the primordial site in eukaryotic evolution. eLife, 15.

Kiran A, et al. (2026) Macrophages self-generate and refine chemotactic gradients during migration towards complement C5a. PLoS biology, 24(4), e3003728.

Eldridge-Thomas BL, et al. (2025) The transmembrane protein Syndecan is required for stem cell survival and maintenance of their nuclear properties. PLoS genetics, 21(2), e1011586.

Moschopoulou E, et al. (2025) Development of ACT+: A Novel, Person-Centred Psychological Intervention Based on Acceptance and Commitment Therapy (ACT) to Improve Quality of Life in Patients Living With and Beyond Cancer. Health expectations : an international journal of public participation in health care and health policy, 28(2), e70237.

Little P, et al. (2025) Digital intervention (Renewed) to support symptom management, wellbeing, and quality of life among cancer survivors in primary care: a randomised controlled trial. The British journal of general practice : the journal of the Royal College of General Practitioners, 75(754), e357.
