## Transporter Classification Database

RRID:SCR\_004490

Type: Tool

---

### Proper Citation

Transporter Classification Database (RRID:SCR\_004490)

---

### Resource Information

**URL:** <http://www.tcdb.org/>

**Proper Citation:** Transporter Classification Database (RRID:SCR\_004490)

**Description:** Curated, relational database containing sequence, classification, structural, functional and evolutionary information about transport systems from variety of living organisms based on IUBMB-approved transporter classification (TC) system. Descriptions, TC numbers, and examples of over 600 families of transport proteins are provided. TC system is analogous to Enzyme Commission (EC) system for classification of enzymes, except that it incorporates both functional and phylogenetic information. TCDB users may submit their own sequenced proteins and descriptions for inclusion into database. The software tools used are all freely available for download. These programs are used for analysis of Protein and DNA sequences. Programs require UNIX server to run.

**Abbreviations:** TCDB, TC

**Synonyms:** Transporter Classification Database

**Resource Type:** data or information resource, data processing software, data repository, source code, software application, data analysis software, storage service resource, software resource, database, data analysis service, production service resource, service resource, analysis service resource

**Defining Citation:** [PMID:19022853](#), [PMID:16381841](#)

**Keywords:** membrane transport, protein sequence, transporter, bio.tools, FASEB list

**Funding:** NIGMS GM1077402

**Availability:** Free, Freely available

**Resource Name:** Transporter Classification Database

**Resource ID:** SCR\_004490

**Alternate IDs:** nlx\_47724, biotools:tcdb

**Alternate URLs:** <https://bio.tools/tcdb>

**Record Creation Time:** 20220129T080224+0000

**Record Last Update:** 20260806T054403+0000

---

## Ratings and Alerts

No rating or validation information has been found for Transporter Classification Database.

No alerts have been found for Transporter Classification Database.
