Selectome: a Database of Positive Selection

RRID:SCR_004542

Type: Tool

Proper Citation

Selectome: a Database of Positive Selection (RRID:SCR_004542)

Resource Information

URL: <http://selectome.unil.ch/>

Proper Citation: Selectome: a Database of Positive Selection (RRID:SCR_004542)

Description: Database of positive selection based on a rigorous branch-site specific likelihood test. Positive selection is detected using CODEML on all branches of animal gene trees.

Synonyms: Selectome

Resource Type: data or information resource, database

Defining Citation: [PMID:24225318](#)

Keywords: duplication, events, gene, animal, positive selection, speciation, p-value, speciation, duplication, selectome, phylogenetic, bio.tools

Resource Name: Selectome: a Database of Positive Selection

Resource ID: SCR_004542

Alternate IDs: nif-0000-03451, biotools:selectome

Alternate URLs: <https://bio.tools/selectome>

Record Creation Time: 20220129T080225+0000

Record Last Update: 20260729T044104+0000

Ratings and Alerts

No rating or validation information has been found for Selectome: a Database of Positive Selection.

No alerts have been found for Selectome: a Database of Positive Selection.
