UC Davis Biorepository

RRID:SCR_005000

Type: Tool

Proper Citation

UC Davis Biorepository (RRID:SCR_005000)

Resource Information

URL: http://www.ucdmc.ucdavis.edu/cancer/research/sharedresources/specimen.html

Proper Citation: UC Davis Biorepository (RRID:SCR_005000)

Description: The mission of the Cancer Center Biorespository is to provide high quality, well-characterized cancer-related human tissue specimens and biological materials to collaborators. The specific objectives of the shared resource are: * The procurement, preparation, and preservation of malignant, benign, and normal human specimens in a centralized repository * To provide high quality annotated data (pathological and clinical) using a secure and interactive database system * To facilitate compliance with all mandated regulatory processes (IRB, HIPAA, SRC) thereby promoting ethical research by UC Davis researchers * To provide pathologic consultation to investigators using human specimens for scientific correlation * To efficiently prioritize, disperse, and track specimens via a rapid and standardized approval and monitoring process * To provide TMA consultation and services for cancer center investigators and their collaborators

Abbreviations: UC Davis Biorespository

Synonyms: UC Davis Cancer Center Biorespository

Resource Type: biomaterial supply resource, tissue bank, material resource

Funding:

Resource Name: UC Davis Biorepository

Resource ID: SCR_005000

Alternate IDs: nlx_95804

Record Creation Time: 20220129T080227+0000

Record Last Update: 20250522T060224+0000

Ratings and Alerts

No rating or validation information has been found for UC Davis Biorepository.

No alerts have been found for UC Davis Biorepository.
