Ontology Lookup Service

RRID:SCR_006596

Type: Tool

Proper Citation

Ontology Lookup Service (RRID:SCR_006596)

Resource Information

URL: http://www.ebi.ac.uk/ontology-lookup/

Proper Citation: Ontology Lookup Service (RRID:SCR_006596)

Description: Interactive and programmatic interfaces to query, browse and navigate an increasing number of biomedical ontologies and controlled vocabularies. It provides a web service interface to query multiple ontologies from a single location with a unified output format. It can integrate any ontology available in the Open Biomedical Ontology (OBO) format. The database can be queried to obtain information on a single term or to browse a complete ontology using AJAX. Auto-completion provides a user-friendly search mechanism. An AJAX-based ontology viewer is available to browse a complete ontology or subsets of it. A weekly MySQL database export file can be downloaded from the EBI public FTP directory.

Abbreviations: OLS

Synonyms: OLS - Ontology Lookup Service, Ontology Lookup Service (OLS)

Resource Type: data or information resource, web service, data access protocol, database, software resource, source code

Defining Citation: <u>PMID:18467421</u>, <u>PMID:16507094</u>

Keywords: ontology, ontology or annotation browser, ontology or annotation search engine, gold standard

Funding: BBSRC;

iSPIDER;

European Union FP6 Felics contract 021902 (RII3)

Availability: Apache License, v2, Acknowledgement requested

Resource Name: Ontology Lookup Service

Resource ID: SCR_006596

Alternate IDs: OMICS_02275, nif-0000-10390

Old URLs: http://www.ebi.ac.uk/ols

Record Creation Time: 20220129T080237+0000

Record Last Update: 20250425T055540+0000

Ratings and Alerts

No rating or validation information has been found for Ontology Lookup Service.

No alerts have been found for Ontology Lookup Service.
