ADAPT

RRID:SCR_006769

Type: Tool

Proper Citation

ADAPT (RRID:SCR_006769)

Resource Information

URL: <http://bmsr.usc.edu/software/adapt/>

Proper Citation: ADAPT (RRID:SCR_006769)

Description: Software tool as plug-in developed for ImageJ/FIJI platform to automatically detect and analyse cell migration and morphodynamics. Provides whole cell analysis of multiple cells, while also returning data on individual membrane protrusion events.

Abbreviations: ADAPT

Synonyms: Automated Detection and Analysis of ProTrusions

Resource Type: software application, software resource, data analysis software, data processing software

Defining Citation: [DOI:10.1083/jcb.201501081](https://doi.org/10.1083/jcb.201501081)

Keywords: Cell migration analysis, morphodynamics analysis, whole cell analysis

Funding: NIBIB P41-EB001978;
NCRR P41-RR01861

Availability: Acknowledgement requested, Registration required

Resource Name: ADAPT

Resource ID: SCR_006769

Alternate IDs: nlx_152570

Alternate URLs: <https://github.com/djpbarry/Adapt>

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260729T044139+0000

Ratings and Alerts

No rating or validation information has been found for ADAPT.

No alerts have been found for ADAPT.
