GeneCodis

RRID:SCR_006943
Type: Tool

Proper Citation

GeneCodis (RRID:SCR_006943)

Resource Information

URL: http://genecodis.cnb.csic.es/

Proper Citation: GeneCodis (RRID:SCR_006943)

Description: Web-based tool for the ontological analysis of large lists of genes. It can be used to determine biological annotations or combinations of annotations that are significantly associated to a list of genes under study with respect to a reference list. As well as single annotations, this tool allows users to simultaneously evaluate annotations from different sources, for example Biological Process and Cellular Component categories of Gene Ontology.

Abbreviations: GeneCodis

Synonyms: Gene annotations co-ocurrence discovery, GeneCodis - Gene annotations co-ocurrence discovery

Resource Type: data access protocol, service resource, production service resource, data analysis service, analysis service resource, web service, software resource

Defining Citation: PMID:22573175, PMID:19465387, PMID:17204154

Keywords: functional analysis, gene, annotation, statistical analysis, functional genomics, bio.tools

Funding: Juan de la Cierva research program ;
Spanish Minister of Science and Innovation BIO2010-17527;
Government of Madrid P2010/BMD-2305

Availability: Free for academic use, Acknowledgement requested

Resource Name: GeneCodis

Resource ID: SCR_006943

Alternate IDs: OMICS_02221, biotools:genecodis3, nlx_149254

Alternate URLs: https://bio.tools/genecodis3

Record Creation Time: 20220129T080239+0000

Record Last Update: 20250517T055801+0000

Ratings and Alerts

No rating or validation information has been found for GeneCodis.

No alerts have been found for GeneCodis.
