New Castle University, The Institute of Neuroscience: Major Research Themes

RRID:SCR_012952

Type: Tool

Proper Citation

New Castle University, The Institute of Neuroscience: Major Research Themes
(RRID:SCR_012952)

Resource Information

URL: <http://www.ncl.ac.uk/ion/research/themes/>

Proper Citation: New Castle University, The Institute of Neuroscience: Major Research Themes (RRID:SCR_012952)

Description: This resource provides detailed information about the major research themes in the Institute of Neuroscience at the New Castle University. The major research themes of this department include: * Behavior, Psychology and Cognitive Neurosciences * Developmental Neuroscience, Aging and Neurodegeneration * Neural Circuits and Neuroimaging * Neurology, Neurosurgery, and Motor Control * Neuropharmacology and Neurotechnology * Psychiatric Neurosciences * Visual, Auditory and Sensory Neuroscience

Abbreviations: NCL ION Research

Resource Type: data or information resource, topical portal, portal

Keywords: auditory, behavior, cognitive neuroscience, developmental neuroscience, motor control, neural circuit, neurodegeneration, neurology, neuropharmacology, neuroscience, neurosurgery, neurotechnology, psychiatric neuroscience, psychology, research, sensory neuroscience, visual, neuroimaging

Related Condition: Aging

Resource Name: New Castle University, The Institute of Neuroscience: Major Research Themes

Resource ID: SCR_012952

Alternate IDs: nif-0000-10385

Record Creation Time: 20220129T080313+0000

Record Last Update: 20260811T043440+0000

Ratings and Alerts

No rating or validation information has been found for New Castle University, The Institute of Neuroscience: Major Research Themes.

No alerts have been found for New Castle University, The Institute of Neuroscience: Major Research Themes.
