## Dali Server

RRID:SCR\_013433

Type: Tool

---

### Proper Citation

Dali Server (RRID:SCR\_013433)

---

### Resource Information

**URL:** [http://ekhidna.biocenter.helsinki.fi/dali\\_server](http://ekhidna.biocenter.helsinki.fi/dali_server)

**Proper Citation:** Dali Server (RRID:SCR\_013433)

**Description:** Network service for comparing protein structures in 3D. You submit the coordinates of a query protein structure and Dali compares them against those in the Protein Data Bank (PDB). You receive an email notification when the search has finished. In favourable cases, comparing 3D structures may reveal biologically interesting similarities that are not detectable by comparing sequences. Requests can also be submitted by e-mail to dali-server at helsinki dot fi. The body of the e-mail message must contain atomic coordinates in PDB format. If you want to know the structural neighbours of a protein already in the Protein Data Bank (PDB), you can find them in the Dali Database. If you want to superimpose two particular structures, you can do it in the pairwise DaliLite server. Academic users may download the DaliLite program for local use.

**Synonyms:** Dali

**Resource Type:** service resource, data analysis service, software resource, production service resource, analysis service resource

**Defining Citation:** [PMID:20457744](#)

**Keywords:** Protein structure comparison server, protein structure, comparison server, bio.tools, FASEB list

**Availability:** Free, Freely available

**Resource Name:** Dali Server

**Resource ID:** SCR\_013433

**Alternate IDs:** biotools:dali

**Alternate URLs:** <https://bio.tools/dali>

**Record Creation Time:** 20220129T080316+0000

**Record Last Update:** 20260729T044329+0000

---

## Ratings and Alerts

No rating or validation information has been found for Dali Server.

No alerts have been found for Dali Server.
