Multi-Disciplinary Approach to the Study of Chronic Pelvic Pain

RRID:SCR_013754

Type: Tool

Proper Citation

Multi-Disciplinary Approach to the Study of Chronic Pelvic Pain (RRID:SCR_013754)

Resource Information

URL: <http://mappnetwork.org>

Proper Citation: Multi-Disciplinary Approach to the Study of Chronic Pelvic Pain (RRID:SCR_013754)

Description: Collaborative research network specializing in urological chronic pelvic pain disorders. Project involves conducting research primarily on interstitial cystitis/painful bladder syndrome and chronic prostatitis/chronic pelvic pain syndrome and involves researchers from multiple disciplines. MAPP Network includes researchers with clinical, epidemiological, and basic research expertise.

Abbreviations: MAPP

Synonyms: Multidisciplinary Approach to the Study of Chronic Pelvic Pain Research Network, MAPP Research Network

Resource Type: topical portal, data or information resource, disease-related portal, portal

Keywords: interstitial cystitis, painful bladder syndrome, chronic prostatitis, chronic pelvic pain syndrome, chronic pelvic pain

Related Condition: interstitial cystitis/painful bladder syndrome, IC/PBS, chronic prostatitis/chronic pelvic pain syndrome, CP/CPPS

Availability: Free, Freely available

Resource Name: Multi-Disciplinary Approach to the Study of Chronic Pelvic Pain

Resource ID: SCR_013754

Alternate IDs: SCR_014375

Record Creation Time: 20220129T080317+0000

Record Last Update: 20260818T043455+0000

Ratings and Alerts

No rating or validation information has been found for Multi-Disciplinary Approach to the Study of Chronic Pelvic Pain.

No alerts have been found for Multi-Disciplinary Approach to the Study of Chronic Pelvic Pain.
