NeuriteTracer

RRID:SCR_014146

Type: Tool

Proper Citation

NeuriteTracer (RRID:SCR_014146)

Resource Information

URL: <http://www.nitrc.org/projects/neuritetracer>

Proper Citation: NeuriteTracer (RRID:SCR_014146)

Description: A set of ImageJ plugins for fully automated measurement of neurite outgrowth in fluorescence microscopy images of cultured neurons. The plugin analyzes fluorescence microscopy images of neurites and nuclei of dissociated cultured neurons. Given user-defined thresholds, the plugin counts neuronal nuclei, and traces and measures neurite length. NeuriteTracer accurately measures neurite outgrowth from cerebellar, DRG and hippocampal neurons.

Resource Type: software application, data acquisition software, software resource, data processing software

Defining Citation: [PMID:17936365](#)

Keywords: plugin, data acquisition software, neurite outgrowth, fluorescence microscopy image, neuron

Availability: Available to the research community

Resource Name: NeuriteTracer

Resource ID: SCR_014146

Alternate URLs: <http://fournierlab.mcgill.ca/styled-6/NeuriteTracer.html>

License: Creative Commons Attribution-Non Commercial-ShareAlike 4.0 International License

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260807T042816+0000

Ratings and Alerts

No rating or validation information has been found for NeuriteTracer.

No alerts have been found for NeuriteTracer.
