Turbo-BrainVoyager

RRID:SCR_014175

Type: Tool

Proper Citation

Turbo-BrainVoyager (RRID:SCR_014175)

Resource Information

URL: <http://www.nitrc.org/projects/tbv>

Proper Citation: Turbo-BrainVoyager (RRID:SCR_014175)

Description: A software package for the real-time analysis and dynamic visualization of functional magnetic resonance imaging data sets. It allows users to observe the working brain "online" by incrementally computing statistical maps as contrasts of a General Linear Model (GLM). The program also performs real-time pre-processing, including 3D motion correction, spatial Gaussian smoothing and temporal filtering (drift removal).

Resource Type: standalone software, image analysis software, data processing software, software application, software resource, data visualization software

Keywords: image analysis software, data visualization software, standalone software, neurofeedback, mri analysis

Availability: Public, Commercial

Resource Name: Turbo-BrainVoyager

Resource ID: SCR_014175

Alternate URLs: <http://www.brainvoyager.com/TurboBrainVoyager.html>

License: Commercial License

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260815T182502+0000

Ratings and Alerts

No rating or validation information has been found for Turbo-BrainVoyager.

No alerts have been found for Turbo-BrainVoyager.
