SHELX

RRID:SCR_014220

Type: Tool

Proper Citation

SHELX (RRID:SCR_014220)

Resource Information

URL: <http://shelx.uni-ac.gwdg.de/SHELX/>

Proper Citation: SHELX (RRID:SCR_014220)

Description: A set of software programs that utilizes dual spaces algorithms for the determination of small and macromolecular crystal structures by single crystal X-ray and neutron diffraction. Libraries, extra files and environment variables are not required for the executables. SHELX is intended to be run on a command prompt but may be called from GUIs such as shelXle, Olex2, Oscale or WinGX, or hkl2map., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Resource Type: software resource, standalone software, image analysis software, image reconstruction software, data processing software, software application

Defining Citation: [DOI:10.1107/S2053273314026370](https://doi.org/10.1107/S2053273314026370)

Keywords: standalone software, image reconstruction software, image analysis software, crystal structure, crystal xray, neutron diffraction, bio.tools

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: SHELX

Resource ID: SCR_014220

Alternate IDs: biotools:shelx

Alternate URLs: <https://bio.tools/shelx>

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260807T042817+0000

Ratings and Alerts

No rating or validation information has been found for SHELX .

No alerts have been found for SHELX .
