Signal

RRID:SCR_014276

Type: Tool

Proper Citation

Signal (RRID:SCR_014276)

Resource Information

URL: <http://ced.co.uk/products/signal>

Proper Citation: Signal (RRID:SCR_014276)

Description: A sweep-based data acquisition and analysis software package. Its uses range from a simple storage oscilloscope to complex applications requiring stimulus generation, data capture, control of external equipment and custom analysis. A built-in script language automates tasks and provides additional tools for custom analyses and applications. Signal includes functions for specific application areas, including dynamic clamp, whole cell and patch clamp electrophysiology, and evoked response including control of magnetic and other stimulus devices. Video tutorials and a demo version of Signal is available on the main page.

Resource Type: data acquisition software, data analysis software, data processing software, software application, software resource

Keywords: sweep based, data acquisition software, data analysis software,

Availability: Pay for product

Resource Name: Signal

Resource ID: SCR_014276

License URLs: <http://ced.co.uk/img/TCSale.pdf>

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260919T195513+0000

Ratings and Alerts

No rating or validation information has been found for Signal.

No alerts have been found for Signal.
