Resource Information

URL: <http://www.linkrbrain.eu>

Proper Citation: linkRbrain (RRID:SCR_014562)

Description: An online tool for managing and viewing datasets. Data can be viewed in 2D or 3D with activation points as points clouds or projections on the cortex surface. Data can be imported as a NIfTI file or a list of activation peaks and results can be exported as a PDF file.

Synonyms: LinkRBrain, linkRbrain: online tool for neuroscience

Resource Type: software application, web application, software resource, data management software

Keywords: web application, data management software, brain, human, 2d, 3d, activation point, cortex surface

Availability: Public, Free

Resource Name: linkRbrain

Resource ID: SCR_014562

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260815T182508+0000
