Proper Citation: GenStat (RRID:SCR_014595)

Description: A statistical software which can be used for basic statistics, experimental design, sample size calculations, and analysis of linear mixed models, time series, and spatial analysis.

Resource Type: software resource

Keywords: statistics, statistical, experimental design, linear mixed model, time series, spatial, size calculation, sample size

Resource Name: GenStat

Resource ID: SCR_014595

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260815T182450+0000
