Proper Citation: Diagenode (RRID:SCR_014807)

Description: Commercial provider of equipment and resources for epigenetics research, biological sample preparation, and diagnostic assays. The products Diagenode provides include automation and semi-automation software, antibodies, reagents, kits, and shearing technologies.

Resource Type: antibody supplier, material resource, reagent supplier

Keywords: epigenetics, sample preparation system, diagnostic device, reagent, assay, antibody supplier, instrument supplier, methylation, cell culture, automated, shearing

Resource Name: Diagenode

Resource ID: SCR_014807

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260821T194029+0000
