Open MEG Archive

RRID:SCR_014930

Type: Tool

Proper Citation

Open MEG Archive (RRID:SCR_014930)

Resource Information

URL: <https://www.mcgill.ca/bic/resources/omega>

Proper Citation: Open MEG Archive (RRID:SCR_014930)

Description: Open data repository fully dedicated to MEG data in raw and processed form. The archive also contains anatomical MRI volumes and demographic and questionnaire information. Organized and stored as the Brain Imaging Data Structure (BIDS) with the integration of multimodal electrophysiology data. Directly readable by data-analysis software with Brainstorm. OMEGA will continue to expand, with contributions from the scientific community.

Abbreviations: OMEGA

Synonyms: OMEGA:Open MEG Archive

Resource Type: data or information resource, data repository, database, service resource, storage service resource

Keywords: repository, meg, database, mri, data aggregation, raw meg data, processed meg data, FASEB list

Funding: Quebec Bioimaging Network

Availability: Open source, Registration required, Acknowledgement required

Resource Name: Open MEG Archive

Resource ID: SCR_014930

Alternate URLs: <https://box.bic.mni.mcgill.ca/s/4qFZvf6tmngMA371/authenticate>

Record Creation Time: 20220129T080323+0000

Record Last Update: 20260821T194030+0000

Ratings and Alerts

No rating or validation information has been found for Open MEG Archive.

No alerts have been found for Open MEG Archive.
