Proper Citation: Yale Diabetes Research Center Physiology Core Facility

(RRID:SCR_015147)

Description: Fee-for-service core facility for DRC members to facilitate in vivo diabetes-related research dealing with biological outcomes in normal, diabetic, and genetically manipulated rodents and mice. Physiology Core is divided into two Sub-cores: the Animal Surgery and Experimental Procedure Sub-core, which provides assistance with in vivo rodent studies the Analytical Sub-core, which assists with measurement of various analytes in rat and mouse samples.

Synonyms: Yale Diabetes Research Center Physiology Core

Resource Type: core facility, access service resource, service resource

Keywords: in vivo diabetes research, rodent studies, diabetes rodents

Related Condition: Diabetes

Funding: NIDDK P30DK045735

Availability: Restricted

Resource Name: Yale Diabetes Research Center Physiology Core Facility

Resource ID: SCR 015147

Record Creation Time: 20220129T080324+0000

Record Last Update: 20250426T060447+0000

Ratings and Alerts

No rating or validation information has been found for Yale Diabetes Research Center Physiology Core Facility.

No alerts have been found for Yale Diabetes Research Center Physiology Core Facility.
