COMPARTMENTS Subcellular localization database

RRID:SCR_015561 Type: Tool

Proper Citation

COMPARTMENTS Subcellular localization database (RRID:SCR_015561)

Resource Information

URL: http://compartments.jensenlab.org/Downloads

Proper Citation: COMPARTMENTS Subcellular localization database (RRID:SCR_015561)

Description: Web resource that integrates evidence on protein subcellular localization from manually curated literature, high-throughput screens, automatic text mining, and sequence-based prediction methods. All evidence is mapped to common protein identifiers and Gene Ontology terms, and further unify it by assigning confidence scores that facilitate comparison of the different types and sources of evidence and visualize these scores on a schematic cell.

Synonyms: COMPARTMENTS, Compartments Database

Resource Type: data or information resource, database

Keywords: subcellular localization database

Funding: EMBL International PhD Programme 295–2012; Luxembourg Centre for Systems Biomedicine ; Novo Nordisk Foundation Center for Protein Research ; CSIRO Office of the Chief Executive ; CSIRO Computation and Simulation Sciences

Resource Name: COMPARTMENTS Subcellular localization database

Resource ID: SCR_015561

Record Creation Time: 20220129T080326+0000

Record Last Update: 20250507T061102+0000

Ratings and Alerts

No rating or validation information has been found for COMPARTMENTS Subcellular localization database.

No alerts have been found for COMPARTMENTS Subcellular localization database.

Data and Source Information
