[funRiceGenes](#)

RRID:SCR_015778

Type: Tool

Proper Citation

funRiceGenes (RRID:SCR_015778)

Resource Information

URL: <https://funricegenes.github.io/>

Proper Citation: funRiceGenes (RRID:SCR_015778)

Description: Dataset of functionally characterized rice genes and members of different gene families. The dataset was created by integrating data from available databases and reviewing publications of rice functional genomic studies.

Synonyms: RICENCODE

Resource Type: data or information resource, data set, database

Keywords: rice, functional genomics, interaction network, genetic improvement, gene, data integration

Funding: National Key Research and Development Program of China 2016YFD0100903; National Natural Science Foundation of China 31771873 and National Natural Science Foundation of China; Outstanding Young Talents Program

Availability: Freely available, Public, Available for download, Free

Resource Name: funRiceGenes

Resource ID: SCR_015778

Alternate URLs: <https://github.com/venyao/RICENCODE>, <http://funricegenes.ncpgr.cn/>

Record Creation Time: 20220129T080327+0000

Record Last Update: 20260817T040543+0000

Ratings and Alerts

No rating or validation information has been found for funRiceGenes.

No alerts have been found for funRiceGenes.
