GenomeTools

RRID:SCR_016120

Type: Tool

Proper Citation

GenomeTools (RRID:SCR_016120)

Resource Information

URL: <http://genometools.org>

Proper Citation: GenomeTools (RRID:SCR_016120)

Description: Software toolkit for biological sequence analysis and -presentation combined into a single binary. It is used for genome analysis, efficient processing of structured genome annotations and contains binaries for sequence and annotation handling, sequence compression, index structure generation and access, annotation visualization.

Synonyms: GenomeTool, Genome Tools, Genome Tool

Resource Type: data analysis software, sequence analysis software, software resource, data processing software, software toolkit, software application

Defining Citation: [PMID:24091398](#)

Keywords: analysis, genome, annotate, sequence, compress, visualization, single, binary, combine, structure, efficient

Funding:

Availability: Free, Available for download

Resource Name: GenomeTools

Resource ID: SCR_016120

Alternate IDs: OMICS_16119

Alternate URLs: <https://sources.debian.org/src/genometools/>

License: ISC license

Record Creation Time: 20220129T080329+0000

Record Last Update: 20250430T060051+0000

Ratings and Alerts

No rating or validation information has been found for GenomeTools.

No alerts have been found for GenomeTools.

Data and Source Information
