Harvest-tools

RRID:SCR_016132

Type: Tool

Proper Citation

Harvest-tools (RRID:SCR_016132)

Resource Information

URL: <http://harvest.readthedocs.org/en/latest/content/harvest-tools.html>

Proper Citation: Harvest-tools (RRID:SCR_016132)

Description: Software tools archiving and postprocessing for reference-compressed genomic multi-alignments. It is used for creating and interfacing with Gingr files, which are archives that the Harvest Suite uses to store reference-compressed multi-alignments, phylogenetic trees, filtered variants and annotations.

Resource Type: software toolkit, software resource

Defining Citation: [PMID:25410596](#)

Keywords: archiving, postprocessing, reference, compressed, genomic, multialignment, create, interface, Gingr, file, phylogentic, tree, annotation, bioinformatic, format

Funding: Department of Homeland Security Science and Technology Directorate

Availability: Free, Available for download, Freely available

Resource Name: Harvest-tools

Resource ID: SCR_016132

Alternate IDs: OMICS_08468

Alternate URLs: <https://github.com/marbl/harvest-tools>,
<https://sources.debian.org/src/harvest-tools/>

License: Copyright License Battelle National Biodefense Institute (BNBI)

Record Creation Time: 20220129T080329+0000

Record Last Update: 20260729T044406+0000

Ratings and Alerts

No rating or validation information has been found for Harvest-tools.
