## scikit-feature

RRID:SCR\_016141

Type: Tool

---

### Proper Citation

scikit-feature (RRID:SCR\_016141)

---

### Resource Information

**URL:** <http://featureselection.asu.edu/>

**Proper Citation:** scikit-feature (RRID:SCR\_016141)

**Description:** Software for a Python feature selection repository that contains a variety of feature selection algorithms, including traditional feature selection algorithms and some structural and streaming feature selection algorithms. It serves as a platform for facilitating feature selection application, research and comparative study.

**Resource Type:** software repository, software resource

**Keywords:** repository, feature selection, numpy, scipy, python, empirical evaluation, selection, algorithm

**Availability:** Open source, Free, Available for download

**Resource Name:** scikit-feature

**Resource ID:** SCR\_016141

**Alternate URLs:** <https://github.com/jundongl/scikit-feature>

**License:** GPL-2.0

**Record Creation Time:** 20220129T080329+0000

**Record Last Update:** 20260815T183003+0000

---

### Ratings and Alerts

No rating or validation information has been found for scikit-feature.

No alerts have been found for scikit-feature.

## Data and Source Information
